Postal Friend

June 2021

Dear Postal Friend,

We hope you had a nice start to the year. The past summer had no major bushfires or harsh weather. The pandemic slowed but picked up again recently in Melbourne. Unfortunately, Victorians are in another lockdown.

We are all in this together. Stay strong Victoria.

COVID-19 updates

Due to Melbourne's lockdown until Thursday 10 June 2021, the current restrictions are:

Visiting hospitals and care facilities: You can attend a hospital or medical facility for the purposes of getting a COVID-19 test, COVID-19 vaccination or seeking medical care.

No visitors are permitted at hospitals unless an exception applies. No visitors are permitted at care facilities, unless an exception applies.

Hospitality and venues:

- Restaurants and cafes can serve takeaway and delivery only.
- Pubs, bars and clubs will be closed, except to serve takeaway food or alcohol.
- Essential retail (like supermarkets and pharmacies) may open, but nonessential retail may only offer delivery or 'click and collect'.
- Beauty and personal care services remain closed.
- Entertainment venues, and swimming pools and sports centres remain closed.
- Religious gatherings and ceremonies are not permitted.

We've had amazing client and volunteer stories of people connecting.

Ernest and Joanna

Ernest and his volunteer, Joanna, met between two major lockdowns. He loves music, socialising, and used to see live music and dance in a community club. Joanna is a great listener and one of our most reliable volunteers. During lockdowns, Ernest learnt the guitar. Now, Ernest and Joanna regularly visit local shops, the library or listen to music together.

Halina and Marta

Halina called our volunteer coordinator to express her gratitude for introducing her to Marta. Her volunteer supported Halina through regular phone calls during the lockdowns and visited her as soon as she could. Marta does not drive and there is not much public transport around her. However, Marta still visits and brings Halina's favourite flowers, nasturtium. Thoughtful details and acts of kindness keep us going. Thank you, Marta.

Aven and Claudia

Aven met her volunteer, Claudia, last year and they became loyal friends.

"Aven loves art and painting. We visited the National Gallery of Victoria. She has great knowledge about art and explained many pieces," said Claudia. "We try to do something different every catch up — beach, coffee or simply meeting in her home. Time always flies. This amazing experience allows me to learn from seniors."
