Health & Wellness Check

Our health assessments monitor your existing conditions and detect any new issues early.

Regular health checks are the key to healthy ageing, staying active, and maintaining your independence.

How does it work?

Full nursing assessment:

For our valued HCP clients, your Care Advisor can arrange for one of our experienced nurses to visit in your home and provide a comprehensive clinical assessment.

Regular maintenance checks:

Further maintenance checks are tailored to your needs, ensuring existing conditions are monitored and any new conditions are detected.

Benefits for you:

Early Detection

Identify health issues early and receive personalised advice

Referrals

Receive specialist or service referrals as needed

Convenience

Receive experienced care in the comfort of your own home

Personalised Care

Assessments and visits are tailored to your needs and address your concerns

Prices:

Your HCP funds can cover the costs of our visits:

- Initial full consultation: \$350
- Maintenance visits: \$125/hour
